FINNISH COMMUNIST PRESS ACCUSES ALLEN DULLES OF AIDING THE MILITARY  
IN RISE TO POWER-- Helsinki, Vapaa Sana  
13 Sep 53

According to the Vapaa Sana, Communist-front Helsinki daily, the crypto-Communist Paris daily Liberation reveals that Allen Dulles, the chief of the USA "espionage," has arrived in Paris. He has conferred at length with Joseph Laniel.

Vapaa Sana adds that Allen Dulles, the chief of American "black diplomacy," has specialized in establishing the militaristic "strong governments" in the countries strategically important to USA. Dulles has raised Shishakli in Syria and Zahedi in Persia to power. He has not been unfriendly to Gen Naguib's rise in Egypt. The French are wondering if Marshal Juin will be the next one to receive his favor.
